Main Beach is a suburb steeped in Gold Coast history. It was the main surf beach for the town of Southport, the earliest surveyed town in the immediate area. Visitors were important to the local economy and the Southport Town Council opened the Main Beach Bathing Pavilion in 1934 to cater to the comfort of visitors, tourists and residents alike. Today Main Beach high rise buildings are focused on the famed Tedder Avenue with a luxurious permanent residential neighbourhood, restaurants and coffee shops.
